February 2024

Hello Maple Springs friends, families, and supporters,

The 2024 swimming season is fast approaching, and we hope you are all as excited as we are. The pool has been a Birdsboro community staple for over sixty years, and we hope this tradition continues for decades to come.

While the pool season is only a little more than three months long, it is a year-round effort to keep things going. The board has been meeting as a group and with our partners in preparation for the upcoming season and beyond.

Some updates and informational items:

- NEW!.. refer a new member to the pool and receive up to \$50. Email for details.
- We are working on an update to our website for a more interactive format with the ability to sign up for events and activities at the pool.
- We are exploring ways to utilize the snack bar to best meet the pool's needs while serving our patrons. This could be an opportunity for a new partner to operate the snack bar. Interested?.. Please contact the email address above.
- We are looking to diversify our fun activities and fund-raising events to maximize the use of our facility.
- As always, we are looking for volunteers to make this all happen. Interested in joining the board or spearheading a special project at the pool? Reach out!... We can always use a hand.

Please keep an eye on our Facebook page and websites for future updates.

Thank you to our members, community partners, and sponsors for your continued patronage and support. We look forward to seeing you at the pool this summer.

Until we are swimmin',  
Maple Springs Swimming Association  
Board of Directors
